Dear friends and colleagues,

Item1. The scientific committee for WALA conference in Bahrain report excellent achievements' :- of 121 abstract of high caliber and quality, distributed to 3 major Halls ,in 28 sessions, and 79 chairmen of sessions, with 24 workshops in 24 lectures rooms + 2 social events speakers, and a key note speakers THE inventor of CO2 laser, see full final program in www.walalaser-antiaging2009.com

Item1.2. With sorrow, sadness and unbelievable anger. We find out now, that the WALA marketing and logistic organizer in Bahrain (Elegant training est. Mr. Saud Algosabi) did not do, their commitments and obligations towards WALA conference (Exhibitors and Speakers). We talk reason with their managements' without a result..?? Accordingly the organizing committee, and the executive WALA advisor recommend to postpone the conference in Bahrain till further notice..

Item1.3. Wala want to have excellent logistic to their delegates and exhibitors,. Which , we find out now ,unfortunately, we could not achieve that with the Elegant training EST., Which, we never anticipate, during our long experience in such conferences, we thought such Est. with license could do it very well??.

Item1.4. So in according to item 2and 3 above , and due to financial crisis and circumstances beyond our control, we regret to inform you postponing the conference in Bahrain until further notice.

Please, except my sincere apologies, for any inconvenience caused to you.

For the urgent importance please confirm receiving immediately.

Thank You, Best Regards,

WALA President 2009
